2016 Advertising Rates

IndiePulse Music Magazine is looking to add your services to our growing list of Advertisers and Sponsors. We offer advertising placement in our online magazine, print supplements, direct mailer / direct e-mailer and in our podcasts and videos on iTunes and YouTube.

As an independent publication specializing in music and entertainment, we only offer advertising opportunities to a select market of Music professionals and Music Industry Services and we have the distinct pleasure of being one of the select Independent Magazines invited to NAMM every year.

Please review our offerings and contact us if any of our services appeal to your companies or services advertising needs and budget.

Advertising Sponsor: 125.00 per month

Front Page Advertisement that appears on every page on site, at bottom of articles and listed as a sponsor of our Videos and Podcasts. Customer can use Banner Ad art or we will create Banner.

Standard Advertiser: 85.00 per month

This is a month to month advertiser; ad appears in classified sections and on various content pages under articles.

Dj /Artists / Bands: 75.00 per month

We do not charge bands for interviews or reviews or concert coverage, however if band wants to sell merch on IndiePulse or their albums, they must pay a monthly fee for sales opportunities and direct mail marketing.

Classified Advertising

Classified ads are 30.00 per ad / per month – Our Standard Classified Advertisement, there are no limits to wording, images or media.

All ads are given a full webpage, which gives our clients a larger web presence and a significant edge in marketing a wide range of products and services

Thank you for your considerations
